

Spring Raffle Challenge

While we saw great success from our fund-raising efforts in December, the needs for student support continues to grow and with anticipated changes in student aid funding we realize there is more that can be done.

The PAT Fundraising and Benevolence Committee has created a **Spring Raffle Challenge** and we need all the support we can get!

Our goal – raise an additional \$1,000 by April 1 (to be distributed through 2011/12 scholarships)

\$1,000= 100 people giving \$10 gifts *or*

\$1,000 =50 people giving \$20 gifts *or*

\$1,000=500 raffle tickets (tickets are \$2 a piece or a book of 10 for \$10.00)

This will help with financial relief for students?
